

EXAMPLE KINDERGARTEN READINESS TOOLKIT SURVEY

Dear Parents/Guardians,

Please take a few minutes to tell me about the Kindergarten Readiness Bag. We appreciate your time and input to make the contents of the bag as user friendly and as helpful as possible.

Thank You!

1. List two items from the bag that were enjoyed by your child.

2. What item in the bag did you, as the parent-teacher, find most helpful in working with your child?

3. Do you feel that your child learned something new by using the tools in the bag?
_____ If so, please describe briefly.

4. Was your child willing/excited to use the tools in the bag? What items in particular did your child seem to like or use?

5. What would you recommend changing about the Kindergarten Readiness Bag (adding to the bag, making any improvements, etc)?
