DeKalb County COVID-19 Response Fund (DCCRF) Round 4
Guidelines and Application Procedures

PURPOSE

The DeKalb County COVID-19 Response Fund (DCCRF), a component pass through fund within the DeKalb County Community Foundation, was created in collaboration with various local funding partners. The Fund’s purpose is to be a depository for contributions intended to respond to the effects of COVID-19 in DeKalb County by distributing grants in the areas of preparedness, response, recovery, and/or rebuilding efforts.

ORGANIZATIONAL FUNDING PARTNERS

Organizational funders who have endorsed the creation of the DCCRF to date and are committed to use their resources either independently or in partnership with the DCCRF to respond to needs in DeKalb County as a result of the COVID-19 pandemic include the DeKalb County Community Foundation; DeKalb County Nonprofit Partnership (DCNP); Kishwaukee United Way; Douglas C. and Lynn M. Roberts Family Foundation; IDEAL Foundation, Horizons Unlimited Foundation, and the DeKalb County Community Mental Health Board. Additional organizational funders are welcome at any time. A DCCRF Advisory Committee, consisting of representatives of the funding partners as well as other key stakeholders, has been established to guide the ongoing efforts of the DCCRF as long as it is needed to be in existence.
